

Expression Through Art

Art program for children and teens
with behavioral and emotional health challenges

With Teresa L. Weston, LCAT, ATR-BC

Give your child the opportunity to use art as a meaningful tool to express and communicate their thoughts, feelings and sense of self. Throughout this four week therapeutic art program your child will use *drawing*, painting, collage and *mixed media* to explore the themes of identity, emotional recognition and regulation, self-expression and group process in a safe and structured space.

Classes are Free!
